

## Table of contents

| Title                                                           | Page # |
|-----------------------------------------------------------------|--------|
| <b>Chapter One: Introduction</b>                                |        |
| 1.1 Overview .....                                              | 2      |
| 1.2 Research problem .....                                      | 5      |
| 1.3 Research purpose .....                                      | 6      |
| 1.4 Research questions .....                                    | 7      |
| 1.5 Hypotheses .....                                            | 8      |
| 1.6 Structure of the study .....                                | 8      |
| <b>Chapter Two: Literature Review and Theoretical Framework</b> |        |
| Introduction .....                                              | 11     |
| 2.1 Human Resource Management (HRM) .....                       | 11     |
| 2.1.1 Importance and Roles of HRM Practices .....               | 11     |
| 2.1.2 Measuring the effectiveness of HRM Practices .....        | 17     |
| 2.2 Innovation .....                                            | 22     |
| 2.2.1 The importance of innovation in the workplace .....       | 22     |
| 2.2.2 Types of Innovation .....                                 | 27     |
| 2.2.3 Creating an innovation culture .....                      | 31     |
| 2.2.4 Measuring Innovation Culture .....                        | 36     |
| 2.3 HRM and Innovation Culture .....                            | 41     |
| 2.3.1 The Relationship between HRM and innovation culture ...   | 41     |
| 2.3.2 HRM practices that influence innovation culture .....     | 50     |
| 2.4 Theoretical Framework and Conclusion .....                  | 66     |

### **Chapter Three: Research Design and Methodology**

|                                                       |    |
|-------------------------------------------------------|----|
| 3.1 Research Design .....                             | 70 |
| 3.1.1 Purpose of the study .....                      | 70 |
| 3.1.2 Type of Investigation .....                     | 70 |
| 3.1.3 Researcher Interference with the study .....    | 70 |
| 3.1.4 Study Settings .....                            | 71 |
| 3.1.5 Unit of Analysis .....                          | 71 |
| 3.1.6 Time Horizon .....                              | 72 |
| 3.1.7 About case studies .....                        | 72 |
| 3.2 Research Methodology .....                        | 73 |
| 3.3 Sources of Data and Data Collection Methods ..... | 73 |
| 3.3.1 Questionnaire as a Main Instrument .....        | 74 |
| 3.4 Sampling .....                                    | 76 |
| 3.5 Data Analysis .....                               | 79 |
| 3.6 Validity and reliability .....                    | 80 |
| 3.7 Limitations of the study .....                    | 81 |
| 3.8 Conclusion .....                                  | 83 |

### **Chapter Four- Findings and Discussions**

|                                                 |    |
|-------------------------------------------------|----|
| Introduction .....                              | 85 |
| 4.1 Sample characteristics .....                | 85 |
| 4.2 Effectiveness of HRM Practices in BOP ..... | 86 |
| 4.2.1 HR department role .....                  | 86 |
| 4.2.2 Staffing .....                            | 89 |
| 4.2.3 HR Development .....                      | 92 |

|                                                                         |     |
|-------------------------------------------------------------------------|-----|
| 4.2.4 Compensation .....                                                | 99  |
| 4.2.5 Safety and Health .....                                           | 102 |
| 4.2.6 Employee and Labor Relations .....                                | 104 |
| 4.2.7 Communication and Participation .....                             | 106 |
| 4.3 Innovation Culture Extent at BOP .....                              | 109 |
| 4.4 Correlation between HRM practices and innovation culture at BOP ... | 112 |
| 4.4.1 Multiple regression .....                                         | 114 |
| 4.5 Impact of Demographic Variables and Innovation Culture .....        | 116 |
| 4.8 Hypothesis Testing Conclusion .....                                 | 117 |
| 4.8.1 Hypothesis Testing .....                                          | 117 |
| 4.8.2 Conclusion .....                                                  | 117 |
| <b>Chapter Five- Conclusion and Recommendations</b>                     |     |
| Introduction .....                                                      | 119 |
| 5.1 Conclusion .....                                                    | 119 |
| 5.2 Recommendations and practical implications .....                    | 123 |
| 5.3 Recommendations for future research .....                           | 128 |
| <b>Bibliography</b> .....                                               | 129 |
| <b>Appendix I</b> .....                                                 | 141 |
| <b>Appendix II</b> .....                                                | 143 |
| <b>Appendix III</b> .....                                               | 147 |
| <b>Appendix IV</b> .....                                                | 162 |
| <b>Appendix V</b> .....                                                 | 172 |
