<i>Acknowledgment</i>	V
Abstract	VI
Table of contents	VIII
List of Tables	X
List of figures	XII
List of appendices	XII
List of Abbreviations	XIII
Chapter one: Introduction	1
1.1 Introduction	1
1.2 Study area framework and characteristics	2
1.3 Problem statement	3
1.4 Objectives of the study	3
Chapter Two: Literature Review	4
2.1 Classification and identification of dental waste	4
2.2 Sources of hazardous dental waste	4
2.3 Health and environmental effects of dental waste	5
2.3.1 Health risk	5
2.3.1.1 Acute infectious waste	6
2.3.1.2 Chemical and pharmaceutical waste	6
2.3.1.3 Residues of toxic drugs	7
2.3.1.4 Radioactive medical waste	8
2.3.1.5 Dental amalgam fillings	8
2.4 People affected by dental waste	9
2.5 Management of dental solid waste	10
2.5.1 Amalgam separation:	12

Chapter Three: Methodology	13
3.1 Size of the population and sample	13
3.2 Collection and analysis of data using questionnaire.....	14
3.3 Collection and analysis of dental waste samples	15
Chapter Four: Results and discussion	19
4.1 Demographic and socioeconomically characteristics of sample.....	19
4.2 Attitudes and behavior of dentists relating to medical waste issues.....	20
4.3 Source and generation of dental wastes:.....	22
4.4 Practices relating to professional health and public safety:	24
4.5 Monitor, control, and follow up	26
4.6 Practices and trends related to waste management and clean environment.....	28
4.7 Amalgam filling.....	32
4.8 Miscellaneous	33
4.9 Relationships between demographic and factors with dental waste management trends and practices	33
4.9.1 Significant relationships with age of dentist	34
4.9.2 Significant relationships with graduation country of dentist	38
4.9.3 Significant relationships with gender of dentist	40
4.9.4 Significant relationships with residence of dentist.....	40
4.9.5 Significant relationships with governorate (Salfit / Nablus).....	41
4.10 Composition and rates of generated dental waste.....	43
4.10.1 Separation and identification of waste components.....	43
4.10.2 Total production of dental solid waste.....	44
4.10.3 Comparison of waste generation among the two governorates	49
4.10.4 Components of infectious dental waste.....	50
4.10.5 Total production of dental waste clinics in The West bank of Palestine	51
Chapter Five: Conclusions and Recommendations	53
References.....	56
Appendixes	62
الملخص	62
