

## TABLE OF CONTENTS

|                                                                      |           |
|----------------------------------------------------------------------|-----------|
| <b>CHAPTER 1.....</b>                                                | <b>1</b>  |
| <b>INTRODUCTION TO PTIS SYSTEM .....</b>                             | <b>1</b>  |
| <b>1.1 Statement of the Problem.....</b>                             | <b>1</b>  |
| <b>1.2 Thesis Hypothesis.....</b>                                    | <b>2</b>  |
| <b>1.3 Research Methodology .....</b>                                | <b>3</b>  |
| 1.3.1 Aim of the Design .....                                        | 4         |
| 1.3.2 Literature Review .....                                        | 4         |
| 1.3.3 Client/server Based Approach.....                              | 4         |
| 1.3.4 Software Used in Designing PTIS.....                           | 5         |
| 1.3.5 PTIS Test .....                                                | 5         |
| 1.3.6 A Poll to Get Client's Preferences .....                       | 5         |
| 1.3.7 Scalable Data Model .....                                      | 5         |
| 1.3.8 The conclusion and Future Work.....                            | 7         |
| <b>1.4 PTIS Implementation .....</b>                                 | <b>7</b>  |
| 1.4.1 Two-Tier and Three-Tier Client/Server Architectures .....      | 7         |
| <b>1.5 The Chapter's Summary.....</b>                                | <b>9</b>  |
| <b>CHAPTER 2.....</b>                                                | <b>10</b> |
| <b>PROGRESSIVE IMAGES TRANSMISSION SCHEMES .....</b>                 | <b>10</b> |
| <b>2.1 Literature Review .....</b>                                   | <b>10</b> |
| 2.1.1 Progressive Image Transmission Capability (PROTRAC).....       | 10        |
| 2.1.2 Bitwise Condensed Quadtree (BCQ) .....                         | 11        |
| 2.1.3 Interactive Progressive Local Image Transmission (IPLIT) ..... | 12        |
| <b>2.2 The Chapter's Summary.....</b>                                | <b>14</b> |
| <b>CHAPTER 3.....</b>                                                | <b>15</b> |
| <b>IMAGE AND TEXT COMPRESSION .....</b>                              | <b>15</b> |
| <b>3.1 Compression Types.....</b>                                    | <b>15</b> |
| 3.1.1 Lossless Compression .....                                     | 15        |
| 3.1.2 Lossy Compression .....                                        | 16        |
| 3.1.3 Lossy or Lossless Compression?.....                            | 16        |
| <b>3.2 Lossless Image and Text Compression .....</b>                 | <b>16</b> |
| 3.2.1 Bitmap Image (BMP) .....                                       | 17        |
| 3.2.2 Graphics Interchange Format Image (GIF).....                   | 18        |

|                                                             |    |
|-------------------------------------------------------------|----|
| 3.2.3 Portable Network Graphics (PNG) .....                 | 18 |
| 3.2.4 Joint Photographic Experts Group (JPEG) .....         | 18 |
| 3.2.5 JPEG 2000 .....                                       | 20 |
| 3.2.6 Run Length Encoding (RLE) .....                       | 21 |
| 3.3 The Chapter's Summary .....                             | 22 |
| CHAPTER 4 .....                                             | 23 |
| PTIS SYSTEM IMPLENTATION .....                              | 23 |
| 4.1 PTIS Algorithm in Client Side and in Server Side .....  | 23 |
| 4.2 RabbIT2 Proxy Server .....                              | 24 |
| 4.3 The PTIS Modifications on RabbIT2 .....                 | 27 |
| 4.3.1 The Modifications in Handler Package .....            | 27 |
| 4.3.2 The Modifications in Filter Package .....             | 28 |
| 4.4 The Modifications in the Client Side .....              | 30 |
| 4.5 Chapter's Summary .....                                 | 30 |
| CHAPTER 5 .....                                             | 31 |
| PTIS TEST RESLUTS .....                                     | 31 |
| 5.1 Images in Matlab .....                                  | 31 |
| 5.1.1 Image Processing Toolbox in Matlab .....              | 31 |
| 5.1.2 Examples of Matlab Results .....                      | 32 |
| 5.2 Image Processing in Java .....                          | 33 |
| 5.2.1 RGB Model in Java .....                               | 33 |
| 5.2.2 Transparency Byte .....                               | 34 |
| 5.3 Image Processing Programs in RabbIT2 Server Side .....  | 35 |
| 5.3.1 Get RGB Model .....                                   | 35 |
| 5.3.2 Convert RGB Model to Three Dimension Matrix .....     | 36 |
| 5.3.3 Division of the Image into Four Slices .....          | 36 |
| 5.3.4 Compression Algorithm .....                           | 39 |
| 5.3.5 The Test Results' Analysis .....                      | 40 |
| 5.3.6 Effective Transmission Size (ETS) of PTIS Files ..... | 41 |
| 5.4 Image Processing Programs in the Client Side .....      | 42 |
| 5.4.1 Uncompress the Received RGB Data .....                | 43 |
| 5.4.2 Convert RGB Model to Three Dimension Matrix .....     | 43 |
| 5.5 Chapter's Summary .....                                 | 46 |
| CHAPTER 6 .....                                             | 47 |

|                                                             |           |
|-------------------------------------------------------------|-----------|
| <b>PDF AND JPEG IN PTIS .....</b>                           | <b>47</b> |
| <b>6.1 Overview of PDF File Format .....</b>                | <b>47</b> |
| <b>6.2 Structure of a PDF File .....</b>                    | <b>47</b> |
| 6.2.1 File Header .....                                     | 48        |
| 6.2.2 File Body .....                                       | 48        |
| 6.2.3 Cross-Reference Table .....                           | 49        |
| 6.2.4 File Trailer .....                                    | 51        |
| <b>6.3 Image and Text Compression in PDF Format.....</b>    | <b>52</b> |
| 6.3.1 JPXDecode Filter .....                                | 53        |
| <b>6.4 Progressive Transmission of PDF using PTIS .....</b> | <b>53</b> |
| 6.4.1 Result of Test PTIS on Images in PDF .....            | 53        |
| <b>6.5 JPEG in PTIS .....</b>                               | <b>53</b> |
| 6.5.1 JPEG Quality Factor .....                             | 54        |
| 6.5.3 Lossless JPEG on PTIS .....                           | 54        |
| <b>6.6 Chapter's Summary .....</b>                          | <b>56</b> |
| <b>CHAPTER 7 .....</b>                                      | <b>57</b> |
| <b>CONCLUSION AND FUTURE WORK.....</b>                      | <b>57</b> |
| <b>APPENDIX A.....</b>                                      | <b>61</b> |
| <b>APPENDIX B .....</b>                                     | <b>62</b> |
| <b>APPENDIX C .....</b>                                     | <b>71</b> |
| <b>APPENDIX D.....</b>                                      | <b>82</b> |
| <b>APPENDIX E .....</b>                                     | <b>94</b> |
| <b>APPENDIX F .....</b>                                     | <b>96</b> |
